

**Online Discussion Board
Grading Rubric**

1. Complete the weekly readings.
2. Log onto our course page through D2L. Navigate to the "Discussion Board" Section.
3. Read the question I have posted. Consider your response while reviewing your course materials. Type out your response (200-400 words) and save it to a file on your computer. THEN copy and paste it into the forum as your answer.
4. Continue to read the forum as more answers appear. Choose two (2) peers to respond to with a comment using the same steps as you did in 3. (100-200 words). Remember our Classroom Culture Guidelines before your post replies– they also apply online!

Your answer and two responses will be graded according to the following rubric:
